# Digicel offers new low balance services

**DIGICEL VANUATU HAS ITS** customers covered with its new low balance services.

Now, Prepaid customers with a low balance or no balance won't be caught without, thanks to the bunch of low balance services offered to them.

The low balance service

offering includes: Please Call me, Buzz Me, Credit Advance, Credit Me and International Credit Me.

"We are fully aware that our customers might face some rough times," said Yaser Maher.

"CEO of Digicel Vanuatu. As the leading telecommunications provider, it is our responsibility

to help people stay in touch with their loved ones. This package of low balance services will help people in Vanuatu to communicate with their friends and relatives at any time- despite the amount of credit they have. Now, if you've no credit, you've no worries- we've

got you covered."

■ For those who are not familiar yet with Digicel's services, here is a brief recap: Please call me: Dial 126Number# for free, they will receive a SMS requesting a credit transfer, Buzz me: Just call your friends and relatives,

they will receive a missed call notification from you for free, Credit Advance: Dial 164# and get Vt100 credit loan. Vt10 fee applies, Credit Me: Dial 127NumberAmount# for free, they will receive a SMS requesting credit, International Credit me: Dial

247international number# for free, they will receive a SMS requesting credit

This set of services is a further testament to Digicel's commitment to delivering the best promotions, products and services to the people of Vanuatu.
